HIGHLIGHTS

The Month of November was Homelessness Awareness month for Pinconning Schools and Mr. Stoneback and our NHS Coordinator, Tera Szeliga, on raising resources as well as education on homelessness and how we as a community can do our part. This was a team effort led by Mr. Stoneback and Mrs. Szeliga. All together they had classrooms raise food to provide to the shelter that will directly impact families in the Northern Bay County Area. Thank you to all the families in our area that donated and we are blessed to have such an amazing group of people in our area.

HIGHLIGHTS

SPARTAN SPOTLIGHT: Each month the administrative departments across the district highlight staff, students and/or community members who go above and beyond in providing for the school district.

This month the Middle School has selected Lydia McQuarter as the Spartan Spotlight. Lydia became the senior secretary for the MS/HS in June and has done an amazing job since the 1st day. She volunteers to help at events, is always pleasant and professional in her job and makes the experience for staff and community a pleasant one.

She consistently goes above and beyond for the community, students and staff. We are honored to have Lydia McQuarter as our Spartan Spotlight this month.

PTC DETAILS:

Still working to iron out some details but we are looking to have our Xello Coordinator, Renee, attend and help parents with the Xello Family Portal.

We are also working with Sacred Heart to bring in some educational material for parents on vaping. They also provide a trailer that is set up as a child's bedroom and shows where students may be hiding vapes from parents.

PARENT HELP FACT

PARENT ADVISORY COMMITTEE

The parent advisory committee is a group of parents interested in helping create positive change at Pinconning Middle/High School. The team consists of several parents and the principal and we discuss ways to help improve the school. We also look to build a positive relationship between school and parents. Interested in joining? Email woodruffk@pasd.org

HIGHLIGHTS

MIPHY survey information went home to families last week.

The MIPHY survey is an anonymous survey that we give to 7th, 9th and 11th grade students every other year.

The survey information for 7th grade can be found [HERE](#)

The survey information for 9th and 11th graders can be found [HERE](#)

If you do not want your child taking the survey, please fill out the appropriate form that is linked above and email it to sheeranj@pasd.org

HIGHLIGHTS

The highlight every year after homecoming is the parade.

It was amazing to see the community out in full force for another beautiful day and highlighted by a Spartan win!

If you have pictures from the parade please send to my email as I would like to post them!

Homecoming for next year is Sept 20th so mark your calendars.

PARENT HELP FACT

With our first lockdown drill coming up tomorrow it is important to know that we have a list of procedures and safety protocols that we do. These drills are done 3x per year and help everyone prepare for an emergency situation. We will have our resource officer assist and take down notes to improve.

PARENT HELP FACT

September is Fastbridge testing and SAEBRS testing month. These are baseline data assessments that we do to gauge where your child is currently at and we use the data. Fastbridge and SAEBRS testing will be occurring next week. If you have questions about this testing please contact us and we are happy to share more information.

HIGHLIGHTS

Last week we had former UFC fighter Charlie Brenneman in to speak to students on leadership, perseverance and anti-bullying. Students had a blast listening to Charlie's story and taking pictures with him. Heard a lot of good things from students after the event.

We are excited to bring these types of opportunities to our town.

PARENT HELP FACT

I have a lot of families that email and cannot find links that we have on our Middle/High School website. Many parents go to pasd.org and assume that is the MS/HS website but that is actually the district webpage. If you go in the top left corner and click "select a school" you can choose specific schools and there is where you can select "Pinconning High/Middle". Hope that helps!

HIGHLIGHTS

Calming Room

As a way to combat mental health struggles many students are facing we have developed a calming room at the Middle/High School. This room will be used for students to regulate emotions and really be a safe space for them to gather and effectively move back to class. We are hoping to continue to add items for students to help regulate in the room with the goal for students to recognize they have become escalated and to use the room to de-escalate. If parents would like to come view the room and offer suggestions, we would love to have you come and visit.
